

# TEST REPORT

(Report No.)20200306

Names of samples	Iron oxide yellow	Production Date	2019-01-22
Customer Information		Lab Environment	25°C,65% RH
Applicant		Shape of samples	Powder
Testing Item	Chemical composition analysis	Product quantity	200T
Test Standard	GB/T4734-1996,GB/T1347-2008,GB/T6370-2007	Report Date	2020-03-06

(Results of Inspection)

(No.)	(Item)	(Index)	(Result of analysis)
1	Shade(Compare with standard samples)	Similar	Similar
2	Oil Absorption	15-25	16.8
3	Water % $\cong$	1	0.77
4	Sieve the rest of the stuff % $\cong$	0.3	0.22
5	PH Value	5-8	7.03
6	Water soluble salt % $\cong$	0.5	0.4
7	Coloring power % $\cong$	$\cong$ 95	98.1

Conclusions:

Claim

1. The results of this report applied to samples only
2. The seal of the test report is valid, and the copy of the report part is invalid
3. If you have any objection to the result, please submit to the company within 15 days from the date of receiving the result
